We are having another Drive Thru Grab and Go on Tuesday from 7:30 a.m – 9:30 a.m. in case you missed your appointment last week for materials and to borrow a chromebook. Requests for Hotspots have been received. Once they arrive, we will call you to pick yours up. Our office staff has been working diligently to get students enrolled

and to answer questions regarding Student ID numbers and Parent PIN numbers for accessing the Parent Portal. They will continue to call next week as we have received hundreds of requests. As a reminder, our District will also be sending this information by mail for all parents and students. Thank you for your patience.

All new students and families are invited to a virtual orientation was postponed and will take place on Monday, Aug. 24th at 1:00 p.m. Zoom information will be provided closer to this date. There will **not** be a zoom meeting for new families tomorrow. Schoology can be accessed at www.lms.lausd.net by entering your student email and password or by using your QR code. This login information is being sent by mail and your child's teacher can provide you with it as well.

Thank you for trusting us with your child's education. I can assure you that our teachers have been working above and beyond the call of duty to set our students up for success. Teachers will reach out to parents via email tomorrow to check in and answer questions you may have at this time. The first two weeks of instruction will allow for all of us to check in with students and families to solve technology related issues, get materials out to families, and to support our social and emotional well-being. We are a community that is stronger than ever and we are in this together! Thank you for your kind words and support. It is greatly appreciated. We will hold weekly assemblies to continue connecting with one another and so that our PTA can share special projects and announcements. JSSPTA continues to be the incredible unit it has proven to be for so many years! Thank you to our PTA President Monique Berrenson and the outstanding Board for planning so many wonderful opportunities for our students even during distance learning.

As always, feel free to email me at clh2104@lausd.net with any questions you might have and I promise to get back to you within 24 hours.

All the best,
Principal Hernandez Morrison
