

Hi Jaguars,

Thank you for a fantastic start to the school year. Our teachers and staff are so appreciative of your ongoing communication as we work together to get things set up for our students' successful distance learning. I can't thank you enough for your patience as we work with lots of systems to get students logged in to Schoology and parents logged into the Parent Portal. By now, you should have received an email from your child's teacher. If you haven't, please email me at [clh2104@lausd.net](mailto:clh2104@lausd.net).

New students may need to access the asynchronous learning through the District website <https://achieve.lausd.net/northwest> if you are unable to log in to Schoology tomorrow and Wednesday mornings. Don't worry though, because teachers will still mark your child present once they are able to log in to Schoology even if that means waiting until next week. Meanwhile, teachers will share zoom information so students can connect with their teachers at the Meet and Greet Wednesday at 1:00 p.m.

I look forward to seeing you **tomorrow** for my Schoolwide Virtual Welcome at **1:00 p.m.** through our zoom webinar. You can join us by clicking the link below:

I highly encourage you to jump on the Virtual Information Booth meeting tomorrow through Friday from 8:00-10:00 a.m. to help problem solve with questions such as student email, passwords, student PIN and parent PIN numbers. The link to that is:

Again, thank you for your patience and support during our Smart Start to the school year. We have two weeks to ease our way into the school year (hopefully stress free) and continue to problem solve during this unprecedented time.

All the best,

Principal Hernandez Morrison
