

Hi Justice Families,

Here are some important reminders and updates for a successful start of the school year.

YMCA Before School and After School Care

Parents can enroll in the before and after school care with YMCA at www.ymcala.org. If you have questions, please email our Site Coordinator, Tracy Prats Hester, at TracyPratsHester@ymcala.org.

Beyond the Bell (BTB) is offering the Youth Services (YS) program - Grades 2-5

This is a program for students in Grades 2-5. Please fill out [this application](#) and either send the form with your child on Day 1, email it to claudia.sanchez@lausd.net, or drop it off in the office. Once the YS Coach has your child's application, he/she may stay after school. Your child is "enrolled" in YS once the application is received. Students may not stay in the afterschool program without a signed form on file. Please note that there must be a separate form for each child attending YS.

Parent Portal

Parent PINs may not be available to new families until August 16th. All TK and K students will enter campus through the gate on Sadring Ave. even if you are unable to create a Daily Pass QR Code. Eventually, you will be able to create one, but it may not be ready in time for Day 1. We will have a list of students that are allowed on campus and ask screening questions at the TK and K gate for those students. The Parent Portal Support Hotline is (213) 443-1300 or you can reach the Local District Northwest Parent and Community Engagement Office at (818) 654-3600. The Parent Quick Guide can be found on our website or by clicking [here](#).

“No Daily Pass QR Code” Entrance at Main Gate

All 1st – 5th grade students that do not have a Daily Pass DR Code are to enter only through the Main Gate on Justice Street. We will verify recent covid test and ask screening questions at this gate.

Baseline COVID Testing is Mandatory

As a reminder, all students and employees, both vaccinated and unvaccinated, returning for in-person instruction must have a recent negative COVID test result before coming to school. A COVID Mobile testing team is scheduled to visit our school on **Tuesday, August 10th between 8:00 a.m. and 3:30 p.m.** Please bring your child to Justice for his/her COVID-19 test. Information about additional testing sites can be found on the LAUSD website at <https://achieve.lausd.net/covidtestingappt>
